FROM: Col. D. H. Stephens,
Theater Postal Officer.

TO: Major Phillip R. North 12 Nov 1944
PRO, Adv. Ech., GHQ.

1. While to my knowledge there has been no announcement of the resumption of International Postal Service between the United States and the Philippines, it appears such action will be taken as soon as civilian service has been established in the Philippines.
2. Until civilian service is in operation, the Army Postal Service will assist in every way possible to restore mail service to Philippine civilians.
3. Mail bearing Philippine postage and evidence of United States Army Censorship clearance will be accepted by the several APOs now operating in Leyte, and will be transported to the United States by the most expeditious service available.
4. Major Lambert, attached to Sixth Army Headquarters, is in charge of censorship activities in Leyte.
5. It is suggested outgoing mail be deposited at APO 72, which is the permanent APO serving the Tacloban area. The Postal Officer, APO 72, is being furnished a copy of this communication.
6. Several letters, originating in the United States, addressed to President Osmena and others, have been forwarded to me from the United States under personal cover, and I have forwarded this mail to APO 72 for delivery to President Osmena's headquarters. Any mail subsequently received will be handled in similar manner.
7. Pending the receipt of advice to the contrary, it is believed proper to assume that rates of postage applicable prior to the temporary suspension of service with the Philippines will apply.
